Dear Mr./Ms.:

This letter is in regards to the CO/YCO/YCC examination you applied for with the Department of Corrections and Rehabilitation. As stated in the letter you had previously received, you would be scheduled to participate in the remaining components of the selection process when your score becomes reachable. Since you have previously passed the written test, you are now ready to proceed with written components of the Peace Officer Psychological Evaluation (POPE).

You have been scheduled to take the written components of the POPE at the place and time listed below. Plan on being at the testing center approximately 4 hours.

Date: WPOPE Date
Time: WPOPE Time

Location: WPOPE Location

If you do not appear for the written POPE tests on your scheduled date listed above, you will be eliminated from this examination and you cannot reapply until after a year from the above WPOPE date.

You will be scheduled to take the vision and Physical Abilities Test (PAT) on a future date. After the PAT, you will be required to turn in your **completed** Personal History Statement (PHS), Background Investigation Questionnaire (BIQ) and required documents so please visit our website at http://www.cdcr.ca.gov/Career_Opportunities/POR/Documents.html to read, **complete** and print out the PHS and BIQ and bring them with you to your PAT appointment. Failure to submit a **completed** PHS, BIQ and required documents will result in your elimination from the examination process.

You must bring valid picture identification (driver's license, DMV identification card, civil service or military identification card) and a copy of this letter for admittance to the exam. Please visit our website to print a copy of the testing location map with directions to the selection center, including available parking. Due to limited space and the duration of the testing, please do not bring children, friends or family to the selection center. **If you marked "Yes" on the application form stating that you require reasonable accommodation for the test due to a disability, please call the testing center for further information.**

We appreciate your interest in a peace officer career with the Department of Corrections and Rehabilitation.

Sincerely,

Office of Peace Officer Selection
